

Welcome to the Joint Company Exhibition of the Federal Republic of Germany

The foreign trade fair programme of the Federal Republic of Germany enables you to participate in **Tube China 2020** at attractive conditions.

Your advantages at a glance:

- Reduced participation fee for system stand and stand area
- Attractive placement of joint participation in the hall W1 (international hall directly at the main entrance)
- Higher level of attention due to the uniform framework design "Made in Germany"
- Logo "Made in Germany" as a symbol of recognition
- Free listing, presentation of your company (main exhibitor) and visitor advertising in the run up to the event through the website www.german-pavilion.com
- Advertising for your company during the event, by displaying the official flyer for the German participation
- Addressing visitors and giving advice at the information stand, sending interested visitors to German exhibitors
- Service all in one place: Organisational and technical handling as well as supervision by Messe Düsseldorf GmbH with contact person in Germany
- Support by the staff of Messe Düsseldorf GmbH on site
- Use of the official information stand with its infrastructure (conference rooms, Internet access, lounge with catering)
