

QUICK GUIDE FOR QUARANTINE-FREE TRAVEL TO SINGAPORE

PRE-DEPARTURE

1 Obtain proof of vaccination.

2 Secure tickets for any flight to Singapore.

3 Purchase travel insurance with at least S\$30,000 coverage for Covid-19 related medical charges.

4 **2 days before departure:**

Take a COVID-19 Polymerase Chain Reaction (PCR) or professionally administered Antigen Rapid Test (ART).

5 **3 days before departure:**

Submit SG Arrival Card and e-health declaration via the official and free e-service on the Immigration & Checkpoints Authority (ICA) website.

6 Download the TraceTogether app and register your profile.

UPON ARRIVAL

7 **Explore and enjoy Singapore safely!**

ProTip:

Download the Visit Singapore app for all essential trip information and submit your SG Arrival Card for pre-boarding check-in and immigration clearance.

PRE-BOARDING CHECKLIST

- ✓ Valid COVID-19 PCR test/ART or Proof of Recovery
- ✓ Valid visa (if required);
- ✓ Proof of vaccination
- ✓ Submitted SG Arrival Card

For more information on travel requirements, visit Singapore's SafeTravel Website.

Non-fully vaccinated short-term visitors above the age of 13 will require valid entry approval to enter Singapore with 7-day Stay-Home-Notice.

Fully vaccinated travellers who have recently recovered from COVID-19 can use the Vaccinated-Recovered Portal (<https://go.gov.sg/vcp-portal>) to submit proof of recovery prior to departure and be exempted from all testing requirements.
